Also old parts for wheels names unknown to J. S. B., but as this week we had a '90 Rambler to repair, with cones 2 in. diameter, two wanted. I found them right here in H. G. W. old stock. Also a Progress wheel wanted a crank. Another, who does the machine work in this shop (after trying to get one from the agents) found a plated crank in stock, which, with very slight alterations, fitted perfectly. Pan pilikia. Have had at least half a hundred bad breaks to repair on wheels this week, for which we had every part required, in stock. And any part not otherwise obtainable will be made here at very reasonable rates. We can weld Stearns cranks. Not done here before, often been tried.

Notice any CLEAN bikes in town this dirty weather? They pay \$1.00 per month and are kept so they
